Subject: RE: Lane Plating NPL next steps

I don't know if Ed Mekeel was notified about this call. He is the CIC for the site and may want to participate. The call is at 2:00 in Mike McCorkhill's old office.

Subject: Lane Plating NPL next steps

Good morning Ms. Cook,

I just left a voicemail on your office phone this morning. I wanted to reach out and touch base with you regarding the Lane Plating Works, Inc. facility that was recently accepted on the NPL. We just wanted to get a grasp on the next steps and to offer any assistance EPA may need with regards to contact local stakeholders as well as informing City's elected officials.

I read that the EPA has the obligation to contact/reach the community within 3 months of listing to explain the Superfund and restoration process for this site. When EPA does hold a community meeting to discuss the Lane Plating site, we are willing to work hand in hand to provide notice of your community meeting as well as ensuring the elected official Council District 8 Mr. Tennell Atkins is present as well as other local stakeholders who may have a vested interest.

Please let James McGuire, managing director of OEQ, or myself know of anything you may need for this project. City looks forward to working with the EPA to ensuring the timely cleanup of this facility and future redevelopment.
